Eco Gold Origin Certificate

Issued by:
Company or Individual

This is to certify that **Company or Individual** has successfully met the standards and requirements of the **Eco Gold Origin Certification** Program.

Certificate Number: C-0001

The certification confirms that:

1. The gold has been sourced using environmentally sustainable and socially responsible practices.
2. No child labor, forced labor, or exploitative practices were involved in the mining process.
3. Production follows all relevant environmental and safety regulations.
4. The supply chain ensures full transparency and traceability, confirming ethical practices at every stage from extraction to final delivery.

Date of Issue: 01/23/2025
Valid Until: 01/23/2026
